Historic Windows Repair Workshop

June 3-5, 2016

Friday evening, all day Saturday/Sunday

Window painted shut? Sashes falling apart? Putty getting loose? **Lorri Sipes**, a member of the **National Association of Window Restoration Specialists**, is hosting a three-day workshop in Oberlin! The workshop combines written hand-outs, skill demonstration, and hands-on repair. All skill levels welcome, although participants should be comfortable with hand tools and small power tools and be prepared to work outside.

Lorri Sipes is a preservation architect and owner of Wood Window Repair Co. (Ann Arbor, MI)
