2021 Youth Summer Camps

Boys & Girls Ages 8-13

Architecture Camp

August 2- (Monday – Friday) from 9:00am-1:00pm
In-person activities each day

Children will love learning the basics of architecture in this hands-on camp. Campers will tour Oberlin architecture, explore building materials, try construction challenges, sketch designs, create mini structures, and envision buildings of the future. Scouts attending this camp will also complete some requirements for Architecture badges.

Notes about Camps and Registration

Open camps will be conducted primarily online, with some in-person experiences.

Please note that due to the COVID-19 Pandemic, the structure of virtual camps will be in flux. We will provide pre-assembled material and activity packages for families to pick up in advance of the camp. If a virtual experience, activities and lessons will be administered through live online platforms and pre-recorded videos. Children will need access to a computer, tablet, or smart phone for approximately 1-2 hours each day.

Camps are likely to include in-person activities and tours around town (please see individual camp descriptions for more details). During in-person activities, children must bring appropriate outdoor, a mask, bag lunch, and beverage. Parents/guardians will be required to complete a health survey in order for children to participate during in-person activities.

Registrations are accepted on a first-come, first-served basis. Reservations must be accompanied by payment. Children and grandchildren of Oberlin Heritage Center members may receive the member discount. No refunds will be made for cancellations within one week prior to the session the registrant is scheduled to attend. A camp session may be cancelled by OHC if a minimum enrollment is not met by one week prior to the start date and a full refund will be made at that time.

Scholarships may be available to students who qualify for schools' free or reduced lunch programs (please inquire).
