Behind the Basement Door: Swimsuit Edition

Kick off the summer with a unique behind the scenes look at the Oberlin Heritage Center's Historic Swimwear Collection presented by our Collections Manager, Maren McKee. These rarely seen garments from our costume collection will give you a window into the water-going fashions from the 1880s to the 1940s.

This program will broadcast live on the OHC's Facebook page. No Facebook account required to view the event, just visit [Facebook.com/oberlinheritagecenter](https://www.facebook.com/oberlinheritagecenter) at **3:30pm on Friday, May 20**. (If Facebook prompts you to join and you do not wish to, just click "Not Now".)

More information about the Oberlin Heritage Center's tours and other events can be found online at: <http://www.oberlinheritagecenter.org/tours>.
