**Help Support Local History in Ohio.** State Representative Kathleen Chandler (D-Kent) and Representative Mike Moran (D-Hudson) have sponsored legislation that would create an income tax check-off program for Ohio Historical Society activities. House Bill 75 would allow Ohio taxpayers the option to voluntarily donate a portion of their individual income tax refund to be directed to the Ohio Historical Society. The Society would then use the new revenues to create a competitive matching grants program for local history-related organizations. The bill passed the Ohio House with overwhelming support of 95-1.
