The Times They are a-Changin'

Tuesday, June 13 at 7:15 p.m.

Top row, left to right: Jim Lubetkin, Mildred Arthrell, Booker Peek; Bottom row: Margaret Smith, Marion Bradley Kelly, and (OHC Honorary Trustee) Bert Latran, Jr.

Sharing stories from Oberlin's Oral History Project, **Eugenia (Geni) Poporad Vanek** will offer insights into Oberlin in the 1960s and 1970s and recall some of the events that drew community members together ... or drove them apart. In this illustrated program, Vanek weaves together a tapestry of voices (*see some of their faces at left*) with their recollections of a tense war, a struggle for peace, and volatile issues of race, gender and civil liberties. The event takes place at Kendal at Oberlin's Heiser Auditorium (600 Kendal Drive) and is free and open to the public. All are welcome to attend wearing their grooviest outfits!

Vanek, a retired educator and an OHC Honorary Trustee, researched and edited the Heritage Center's award-winning oral-history-based publication *Bonnets to Boardrooms: Women's Stories from a*

Historic College Town. She is a past recipient of the Heritage Center's "Volunteer of the Year" award. For more information, visit www.oberlinheritagecenter.org or call (440) 774-1700.

History Around Town & Across Time

Try a History Walk or Tablet Tour this Summer!

The Heritage Center offers outdoor learning opportunities this summer with several guided history walks and self-guided tablet (iPad) tours.

Learn about Oberlin's famous freedom seekers and those known to have helped them make their way to freedom on the Underground Railroad by taking part in the Heritage Center's *Freedom's Friends History Walk* offered *each* Saturday at 11:00 a.m. in June, July and August. The 90-minute tour begins at The First Church in Oberlin, U.C.C. and winds its way across town and through the Heritage Center before the last story is shared at Martin Luther King,

Jr. Park. Or choose to walk in the path of this community's impressive foremothers who helped shape what it meant to be a woman in Oberlin and across the country in 19th- and early 20th-century America. The *One Step More: Oberlin Women's History Walk* will be offered the

Summer History Walks or Tablet Tours continued...

first Saturday of the month at 1:00 p.m. during June, July and August.

The Heritage Center also has something for those who prefer a "do-it-yourself" format. The *Freedom's Friends: Underground Railroad tablet tour* leads participants across town and campus to explore stories connected to Oberlin's early history. The *Picture the Past: Historic Downtown Oberlin tablet tour* covers a one-block radius extending from the corner of Main and College Streets and is filled with fun facts, historic photographs, and more! Borrow an iPad at the Monroe House for an hour or a day and move at your own pace through Oberlin history.

Remember tours and history walks are FREE as a benefit of being an OHC member! For more information, visit www.oberlinheritagecenter.org or call (440) 774-1700.

Pat Murphy Endowment for Heritage Preservation Nord/McClintock Matching Challenge Receives Wide Support!

Thank you to 72 donors who have contributed \$16,854 to the Heritage Center's Endowment for Heritage Preservation campaign and have had their contributions matched by a special (\$20,000) challenge gift from Jane B. Nord and T.K. and Emily (Nord) McClintock. We still must raise \$3,146 in order to benefit from the full match. This Endowment addresses the ongoing maintenance, preservation, and conservation needs of the buildings, grounds, and collections – crucial funding that an already-

tight annual operating budget does not begin to cover adequately. To date, the Endowment total is at \$375,000 and its first payout has already been put to good use on bricks-and-mortar repair work that recently was completed at the Monroe House. You can see how necessary it was that the work not be deferred any longer -- these "before" photos of the Monroe House's loose chimney bricks atop the roof reveal how little effort was needed to disassemble them in order to replace the mortar and restabilize the structure. Please consider a gift to the Campaign now and its impact will be *doubled* by the Nord/McClintock match! Donate today or learn more about the Campaign at www.oberlinheritagecenter.org/getinvolved/makeagift.

Volunteer at the Heritage Center!

Helpers Needed for a Variety of Summer Activities

If you have a few hours to give to the Heritage Center, we have some "job openings" for volunteers this summer!

Helpers are needed for 2-hour shifts between 10:00 a.m. and 4:00 p.m. to staff the Heritage Center's welcome/literature table for Juneteenth (June 10), Chalk Walk (June 24), and Family Fun Fair (August 5). If you're available, contact Amanda Manahan at (440) 774-1700 or tourinfo@oberlinheritage.org.

Do you have a green thumb? We're always looking for volunteers to weed and trim on the grounds at the Heritage Center. Help just once, or make it a regular occasion throughout the summer -- whatever time and talent you have to give will be appreciated! Contact director@oberlinheritage.org if you can lend a hand.

How about joining our volunteer "Mail Crew?" Volunteers are needed 3 or 4 times a year to help assemble big mailings from the Heritage Center. We meet at Kendal at Oberlin for 60-90 minutes of stuffing/sealing envelopes with a bit of socializing on the side! If you would like to be on the list to be called to help us out occasionally, contact members@oberlinheritage.org.

Here's a way to help in a BIG way without ever leaving home! Bed & Breakfast hosts are needed during Oberlin College's first-year student orientation for one or more nights between Monday, August 21 and Wednesday, August 23 (with the greatest need being on Monday and Tuesday nights). We have a growing list of visiting families who need accommodations (some needing a pet-free environment). If you can provide a single or double room in your home, with a private or shared bathroom, and a simple breakfast the following morning, please contact ohcbnb@gmail.com. All proceeds from the B&B fundraiser help stretch the Heritage Center's general operating budget.

OHC Offers Free Tours through Blue Star Museum Network

Free Admission to Active Military and their Families

The Oberlin Heritage Center is among the more than 2,000 museums across America that are committed to welcoming active military families this summer season. Now in its eighth year, the Blue Star Museum program is a collaboration begun by the National Endowment for the Arts and Blue Star Families (a national nonprofit founded to support and connect military families). Participating museums agree to

provide free admission to active military and their families between Memorial Day and Labor Day. Some museums, such as the Oberlin Heritage Center, even extend their Blue Star welcome to service families all year round. Museums include children's museums, fine arts museums, history and science museums. Find out more (including other Blue Star Museums in network) by visiting www.arts.gov/national/blue-star-museums.

Members Update

Current Members—Please Update Your Contact Information with OHC

OHC members, if you have moved recently, discontinued use of a telephone landline, or changed service providers, please update us with your current contact information. Keeping our membership records up-to-date and accurate is important to us, and a clean mailing list saves the nonprofit a lot in terms of both time and money. Call the Heritage Center at (440) 774-1700 or e-mail members@oberlinheritage.org with changes to your contact information.

We extend a warm Heritage Center welcome to new members **Bill & Denise Capers, Jeff & Susan Cheshire** (Solon), **Linda Diaz, Olivia Hay, Alexandra Nicome, Joanna Wiley** and new business member the **Oberlin Property Group**. OHC Staff, Board and Intern News

May always is a BUSY time for group tours at the Heritage Center, keeping Museum Education & Tour Coordinator **Amanda Manahan** and OHC's great team of docent volunteers on the go most of the month. An annual favorite visit is that made by Oberlin's Prospect School Third-Graders who spend a day of readin', writin' and 'rithmetic as pioneer-era children would have done in the Little Red Schoolhouse (*at left, third-graders return to their lessons after enjoying recess in the schoolyard*).

Collections Manager **Maren McKee** was invited by the Medina County Genealogical Society to present a workshop last month on *Caring for your Historic Photographs*.

If you missed OHC Board Member **Steve Johnson's** live interview on **Radio Stations WOBL/WDLW** early in May, you have another opportunity now. Steve spoke about his research and preparation in putting together the two *Oberlin and World War II* programs he presented this spring. Listen at <https://drive.google.com/drive/folders/0B9zzaKj9baxZeUE2c0g0Vm5ZSVE>.

How fun it was to visit with former OHC interns **Rocio Leon** (OC 2013), **Preston Sundin** (OC 2011) and former AmeriCorps member **Jen Graham** (OC 2012) who stopped in at the Heritage Center when back in Oberlin for their college cluster reunion last month.

OHC Staff, Board and Intern News...

Congratulations and best wishes to OHC intern **Olivia Hay** who was inducted into Phi Beta Kappa prior to graduating with the Class of 2017 at Oberlin College. Applause, applause also to OHC intern **Alexandra Nicome** who was awarded Honors in Art History at this year's commencement exercises.
