Participants will leave this webinar with an understanding of how to manage

various digital files and be able to incorporate these practices at their own organizations. A Q&A session will follow the presentation.

## Say Hello to Our New Communications Coordinator

Welcome to Steven Rice, our new Communications Coordinator who will be handling promotional materials for OHC. Steven grew up in Amherst and now lives in Elyria.

He has previously worked with various local Lorain County community groups, most notably the music and arts space Blank Slate Elyria. Steven is a photographer and graphic designer with a keen interest in local history. We hope you will join us in giving him a warm welcome to the team!

## OHC to be a Blue Star Museum Again This Year

OHC is happy to be offering free summer admission to active duty military and their families as part of the Blue Star Museums Program once again. This program allows for free access to OHC (as well as a number of other museums nationwide) for active-duty military, National Guard, and Reserve personnel and up to five family members from May 21, 2022 (Armed Forces Day) through September 5, 2022 (Labor Day).

## Members Update & News from the Second Floor

OHC is repairing the windows in the barn built c. 1860 behind Jewett House.

Pat Ives has removed some windows and is evaluating them to see what amount of the original wooden frames can be saved and reused. These portions will be restored while the rest will be replaced with appropriate wood and treated to visually match the remaining frames. The end result will be historically accurate but in much better physical and cosmetic condition.

This kind of proactive maintenance goes a long way in preserving history for the next generation! **If there are some projects on your historic home that you have been putting off, consider getting a consultation from Cleveland Restoration Network's Heritage Home Program.** Consultations are free in participating communities like Oberlin!

Welcome to newest OHC members Bentley Boyd and Kathleen MacLean!

We note with sorrow the passing of Endowed Life Member Jane Ross Moore and OHC member Don Norenberg. We also send warm wishes of support to others who have lost loved ones.

## Monumental Coroner and Probate Data Project Complete

Local historian Don Hilton has completed a massive project researching, transcribing, and compiling Lorain County's public death records into a publicly accessible spreadsheet. He began this nearly 800 hour project in May 2021 and finished compiling it in March 2022. Don has graciously shared this database with individuals and organizations interested in historical and genealogical research, including the Oberlin Heritage Center, as a free resource for all.

The spreadsheet contains information regarding Lorain County residents whose deaths were reported to the Probate Court from 1867-1908 or who were included in the Coroner Reports from 1878-1938.

To view the data, you can download a spreadsheet from our website by visiting: <https://bit.ly/3MwmjZU>
