

Windows of Oberlin Scavenger Hunt

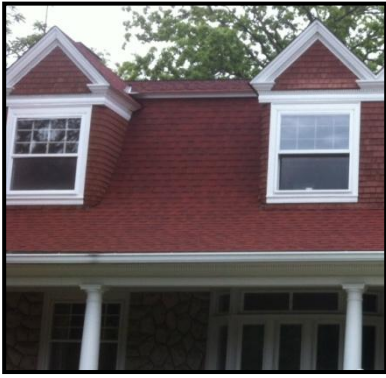

Celebrate Oberlin's architectural treasures with a fun and family-friendly scavenger hunt around town! Find the pictured fenestration (that's an architect's word for window) and write down the name of the building or street address on the answer sheet. These buildings are around campus and town. Some will be easy, while some might take more effort to find!

Return your sheet to the Oberlin Heritage Center by **September 1, 2014**. Participants who find every window will receive 2 free tour tickets for the Upstairs / Downstairs tour of the Heritage Center's three historic buildings. Participants will also be entered into a drawing for a free membership and a book of their choice from the Museum Store!
