- **Upstairs / Downstairs Guided Tour: Small Town, Big Stories**
  Enjoy the lifestyles and architecture of historic Oberlin in a guided tour of three beautifully preserved buildings that tell the unique, nationally significant story of the community and college in Oberlin, from their beginning in 1833 until the 1930s. Learn about Oberlin's founding as a Christian Perfectionist colony, women attending college, African American education, abolition and the Underground Railroad, aluminum history, decorative arts, the Progressive Era, student life, and more. The tour goes through three historic buildings on the property of the Oberlin Heritage Center: the Monroe House (1866), the Little Red Schoolhouse (1836), and the Jewett House (1884). The tour can be modified to focus more attention on one building or subject, or abbreviated to accommodate a different schedule depending on the interests of the group.

This illustrated walking tour explores how Oberlin confronted and defined issues of femininity in the 19th and 20th centuries. Hear stories of powerful Oberlin women including Lucy Stone, Marianne Parker Dascomb, Adelia Field Johnston, Mary Church Terrell, and Lucy Stanton Day, and learn how they used John J. Wall, a recruiter who was one of the first African-Americans to receive a commission as a Union officer, visitors will hear some fascinating stories. - In the event you need to cancel this reservation, cancellation must be received by our office in writing a minimum of 48 hours prior to your scheduled arrival. The Day of Your Tour

- Groups are asked to arrive at the agreed upon time. If you will not be able to arrive on time, please call. We cannot guarantee having a docent (tour guide) available should you arrive earlier than the tour start time, or 15 or more minutes later than the designated tour time. Should you arrive 15 or more minutes later than the designated start time, you will forfeit your tour fee.

- You are welcome to explore our Museum Store and Visitor Information brochure rack at the Monroe House before or after the tour, but space is limited.

- Large groups may be divided into smaller groups to rotate through the tour. We cannot accommodate more than one motor coach or school bus of visitors at a time. (Suggestion: One half of a very large group can explore other sites in Oberlin while the other half visit the Oberlin Heritage Center, then the two groups can switch. Please see our website or ask for suggestions for places to visit, stay, and dine.)

- School, Youth and Homeschool Groups: If your group is large and includes students of a variety of ages, it is helpful if you divide them up by age groups. Please make chaperone assignments before arriving at our site. We request that you provide one adult chaperone per ten students. Chaperones are expected to assist the docents and intervene if any children are distracting others during the tour. Nametags can help docents interact with students, particularly during the Lessons in the Past program in the schoolhouse.

- We ask that visitors keep in mind that they are visiting historic sites and house museums that contain irreplaceable artifacts and furnishings. Touching or sitting on our historic furnishings is prohibited (except in the Little Red Schoolhouse). Please remind your group in advance to stay with the docent and to “look with your eyes and not with your hands.”
• Visitors should be aware that there will be few opportunities for sitting during the history walks. Visitors are advised to use the restroom before arriving, dress appropriately for the weather, and wear good walking shoes.

• Smoking, food, and drinks are not allowed inside the buildings.

• Please turn off cell phones and pagers before the tour begins.

• Non-flash photography is permitted, but any commercial use requires written permission of the Oberlin Heritage Center’s Executive Director. Flash photography is not permitted.

Parking and Bus Unloading
• Visitors who arrive by car for the Oberlin Heritage Center tour may park in the lot behind the Monroe House. This lot is located off of West Vine Street, behind the Midas Muffler shop (Google or MapQuest “20 West Vine Street”). After parking your vehicle, follow the sandstone and brick walkway to the front door of the Monroe House for tours of our buildings (Please see the provided map).

• Buses can pull into the Oberlin College parking lot just north of the Jewett House at 73 South Professor Street, drive east through the lot, and unload in front of the Monroe House. Bus drivers should be prepared to search for street parking.

• NOTE: History walks begin at other locations. Car drivers are welcome to park at the Oberlin Heritage Center and walk to the start locations. Bus drivers may have to find street parking.

Important Information Regarding Restrooms and Lunch Facilities
• We regret that we do not have adequate restrooms for large groups and do not have an indoor facility where groups can eat bag lunches. Please let us know in advance if you need assistance in finding a place for a bathroom break and/or a place for your group to eat their bag lunches and we will do our best to help you.

Accessibility
• The Oberlin Heritage Center’s buildings are historic and contain stairs. Visitors who wish to see the full tour need to be able to climb stairs. If visitors are unable to do so, docents are happy to provide materials or a PowerPoint program that illustrates the architecture and furnishings of the upper rooms. Visitors who need to sit may request a folding chair.

• Two of our buildings have wheelchair-accessible first floors (Monroe House & Little Red Schoolhouse); the third building (Jewett House) does not yet have a wheelchair-accessible entrance. Please know that the Oberlin Heritage Center is in the process of determining ways to provide better access for the differently-abled in the future. We are committed to making our museum accessible and are willing to modify the tour and/or make special arrangements if contacted ahead of time.

• Guests who have difficulty hearing are encouraged to ask the docent to wear an audio amplifying device that we have available.

• Most history walks are wheelchair accessible via sidewalks, barring poor weather conditions. The Radicals & Reformers tour of Westwood Cemetery goes over grassy areas and occasional uneven terrain that may be difficult for some people to navigate.
