This shingle-covered house is Tudor/English Revival. The wood shingles are laid in uneven rows. The center of the facade has a cross gable with steeply pitched, slightly flared eaves. The door at the center has windows in the upper half and two three-panel windows are located above the door. The windows are either awning or hopper style. Brick steps with cement caps lead up to the door. To the left and right of the cross gable, four-over-one continued...

According to the property card, this house was built in 1930. The resident of the house listed in 1933 was salesman F.W. Wiese and his wife, Emma until about 1942 (City Directory). Other residents of the house include: E.C. & Louise Treherne, who lived here with their 3 children in 1956; Richard F. Seaman in 1961, who was from Oberlin and an OC graduate who served the OC Admissions Department in the 1960s (Surovy); Hollis S. Craig, a post office clerk, and his wife Betty in 1970; Eugene C.  continued...

The house is in good condition, as are those neighboring it.

42. Further Description of Important Interior and Exterior Features (Con't)

windows are located in the first and second stories. A one-story wing to the far right has two three-panel windows, which are either awning or hopper style. The west elevation includes an exterior chimney towards the left, with a three-panel awning or hopper window to its left. The wing has three windows and a door above it, in the second story, with a metal hood above the door. Left of the door, and right of the chimney, is a three-over-one window. A fanlight is situated in the gable. The east elevation contains a door near the center, which has twelve lights. A pair of double hung windows is located to the left of the door and another is to the right. The second story has a double hung window, and a fanlight is located in the gable.
