This vernacular upright and wing house has its upright section at the right and a two-story wing at the left of the main facade. The upright section has two one-over-one double hung windows with shutters in the first story and a single one-over-one double hung with shutters in the second story. The wing section of the house contains a front porch, which has square supports and a wood shingled wall around the perimeter. The door is at the right continued...

42. Further Description of Important Interior and Exterior Features (Con't)

side of the wing, which is recessed from the upright portion of the house. Two one-over-one double hung windows with shutters are located left of the door. The second story of the wing contains two one-over-one double hung windows with shutters. The shutters are all recent additions. The south elevation has a one-over-one window at the first story and a sliding window at the right. The second story has a small, square window. The north elevation is obscured by foliage.

43. History and Significance (Con't)

"greenhouse" but by 1904 Fred H, a painter, & Hattie Tripp were living here. From about 1908 to at least 1920, Charles F Smith, a farmer, and his wife Helen lived here with their children Maisie & Charles. In 1920, Masie is listed as the head of the household & was working for the Oberlin Telephone Company. The next known residents, PH Young, a tailor & his wife Edith, were living here in 1929. By 1933, David & Veillene Dixon had moved in. David worked as a laborer, a plumber, a construction worker, & for OC. The Dixons lived here until at least 1973 (Phone Book).
