The house is covered with ivy, and has a driveway on its south side, opening to Vine St.

Many Queen Anne details accent this imposing house. A large porch extends across most of the first floor of the house. The gable ends feature a diamond design on the wall. There are hip-roofed dormers on the north and east sides of the roof. Above all these dormers, there is a gabled dormer decorated by elaborately carved bargeboard with a pendant at the peak and carved floral details. The house has a two-story projection on the south side of the house with a bracketed gable roof.
