Heritage Center Hosts Annual Fall Trivia Night

The Oberlin Heritage Center is excited to once again host a fun night of trivia for all ages (via Zoom) on Friday, November 13, 2020 from 6:00 - 8:00 p.m.

Please register your team by November 6 if you'd like to participate. To register, just visit our website at: <http://www.oberlinheritage.org> or call (440) 774-1700 to sign up over the phone. Once your team is signed up, the team leader will be sent a Zoom registration link to forward to fellow team members—who can play virtually from the comfort of their own homes on game night.

Don't worry—you won't need to know everything there is about Oberlin to play. Test your knowledge of pop culture particulars, sports specifics, musical mysteries, and much, much more. Just remember—no internet searches or phone calls to family members for the answer (unless they are on your team). There will be lots of interesting factoids to uncover that night, as well as an image quiz and several raffles.

The top three placing teams will receive goodie gift bags, and the winning team will have their name added to the OHC Trivia Champions plaque.

Proceeds support the ongoing work of the nonprofit Oberlin Heritage Center.

Special thanks go to Oberlin business sponsor Kurt G. Sarringhaus Co., L.P.A.

Make a reservation in advance by visiting www.oberlinheritagecenter.org or calling (440) 774-1700 for more information.
